JUBILEE PARK

MATAKANA

Survey results.

Matakana's community park.

From picnics to ponies, Jubilee park has got you sorted.

Matakana Community Group would like to thank you all for being so vocal in the recent Jubilee Park survey. We received 385 responses in total, with 76% in favour of the park being made available to a wider range of users. It was fantastic to hear your thoughts, ideas, and passion for our local green space.

These survey results were presented to the Rodney Local Board to illustrate how important Jubilee Park is to our community. On the same day, a five-year "right to use" lease was renewed for the Matakana Branch Pony Club.

We'd like to acknowledge the Pony Club for their willingness to work closely with the community under this new license. They have committed to removing fixed cross-country jumps when not in use and packing down temporary structures where possible, helping ensure the park remains a welcoming and flexible space for everyone. The club has also introduced a straightforward booking system so that sports teams, community groups, and event organisers can easily reserve the grounds.

Want to use Jubilee Park for an event?

It's simple—just click below to choose your day and time.

Book now

The Pony Club has also expressed strong support for the upcoming pump track construction, due to begin in October 2025, and will be working alongside Matakana Community Group to ensure a safe shared environment throughout the development phase.

Meanwhile, Auckland Council's Parks and Community Facilities department has committed to reviewing equine facilities across the Mahurangi region. Staff are very mindful of the pressures of urbanisation and the growing need for both formal and informal recreational spaces that serve the whole community.

Top ideas.

Picnic & BBQ spaces
Playground
Community events/concerts
Community Gardens / Memorials
Sports Facilities (i.e. Nets & Hoops)
Dog-friendly areas
Outdoor education spaces

The winner is...

We are pleased to announce the winner of the $250 Matakana Village Gift is Rosemary Greenwood! Congratulations, one of our team will be in touch soon to present your gift card.

All systems go.

We are thrilled to announce the Pump Track project has formerly been granted approval by the council. Ground work is due to start in October. A generous local has topped up community donations to guarantee the full cost of the project is covered.

Matakana Community Group

We are a team of volunteers and can always use a hand with community projects.
